BUDGET & FUNDING

Where does my donation go??

During these difficult economical times we understand how hard it is to come up with a few extra dollars.

We appreciate your support.

**PLEASE SUPPORT US
SO WE CAN CONTINUE
TO SUPPORT YOU!**

**BGE UTILITY BILLS
VERIZON PHONE SERVICE
VEHICLE INSURANCE
MORTGAGE PAYMENTS
BUILDING MAINTENANCE
VEHICLE MAINTENANCE
GASOLINE FOR VEHICLES**

*And these are only a few of the expenses
for every Volunteer Fire Company.*

Contrary to many beliefs... Volunteer Fire Companies are not fully funded by Baltimore County or the State of Maryland. Yes, each company receives a subsidy annually, but with budget cuts, this amount is at the lowest point ever.

Your support and donations are needed now more than ever. What would happen if your local volunteer fire companies cannot pay their bills and were forced to close??

1. **YOUR** taxes would increase greatly.
2. **YOUR** wait time for help will be longer in the event you have a fire or medical emergency.

YOU SAY THAT YOUR LOCAL VOLUNTEER STATION DOES NOT RESPOND AS QUICKLY AS YOU EXPECT AND SOMETIMES NOT AT ALL.

THIS IS WHAT HAPPENS WHEN THE SIREN GOES OFF:

1. If firefighters are manning the station or not, they are allowed **3 MINUTES** to have equipment on the road. Think about that... 3 minutes...
2. These brave and talented men & women are **VOLUNTEERS**, they have jobs, families, certification classes, etc. **AND THEY CHOOSE TO SERVE YOU.**
